

## ORDINANCE NO. 4131

### THREE MILE LANE

An Ordinance enacting conditions for development in an area hereinafter described, and commonly known as Three Mile Lane; now, therefore,

#### THE CITY OF McMinnville ORDAINS AS FOLLOWS:

Section 1. Statement of Purpose. The City of McMinnville finds that the development of lands on the north and south sides of Three Mile Lane (Oregon Highway 18) is acceptable if provisions are made to integrate the dual functions of the highway as a bypass around the City and a land service arterial for adjacent properties. The City also finds that development along Three Mile Lane is desirable if it is of good quality and design, if the living and working environments developed are compatible with each other, and if the living environment includes open spaces, parks, and features buffering of residential uses from the highway. The City recognized, during the comprehensive planning process, that to insure that these concerns are met, proper designations on the McMinnville Comprehensive Plan and Zoning Maps must be made, and, further, that a planned development overlay must be placed over the area establishing specific conditions for development.

Section 2. Planned Development Overlay. The planned development overlay which is created and implemented by this ordinance shall be placed over areas to the north and south of Oregon Highway 18 from the eastern city limits west to the vicinity of the Three Mile Lane Spur intersection with Highway 18. The affected area is further described by map in Exhibit "A". Areas within and without the city limits shall carry this designation. The policies and procedures set by this ordinance shall be applied to all land use decisions under the jurisdiction of the City of McMinnville. The overlay shall not impinge the legal jurisdiction of Yamhill County for areas outside the city limits.

Section 3. Notation on Zoning and Comprehensive Plan Maps. The perimeters of the areas affected by this ordinance shall be noted on the official McMinnville Comprehensive Plan Map of 1980 and the official McMinnville Zoning Map of 1980.

Section 4. Policies. The following policies shall apply to the property described on the map in Exhibit "A":

- (a) The goals and policies of the McMinnville Comprehensive Plan, Volume II, and applicable regulations and standards in Volume III, and other City codes shall be adhered to.
- (b) A one hundred twenty (120) foot setback from the centerline of Highway 18 shall be established both north and south of the highway.
- (c) Access requirements adopted hereafter in an access plan for this area shall be adhered to. Provisions of the plan shall include:

1. The minimization of entrances onto Three Mile Lane;
  2. The development of on-site circulation systems, connecting to adjoining properties;
  3. The provisions of acceleration-deceleration lanes and left-turn refuges when and where necessary and practicable.
  4. The provision of bikeways along frontage roads or on-site circulation systems. Bikeway connections accessing Three Mile Lane shall be provided so that the frontage road or on-site circulation system can serve as an alternative route for cyclists traveling along Three Mile Lane.
- (d) Landscaping and buffer strips along the highway frontage may be required including noise buffering methods, such as berms and/or plantings.
- (e) Residentially designated areas covered by this ordinance shall be developed at R-1 zoning classification densities. Mixed housing-type residential developments shall be allowed and encouraged.
- (f) Residential developments shall provide parkland under the provisions of Section 35 of Ordinance No. 3702, unless safe and convenient pedestrian access is provided to an existing park. If no land is required, money in lieu of land shall be required.

The following policies shall apply to specified properties north and south of Three Mile Lane, described on the map in Exhibit "B". The written descriptions, uses, and written policies included below are to apply to the interpretation of the map and be of at least equal weight and importance.

#### Municipal Airport (Area 1)

The airport shall be designated as industrial on the McMinnville Comprehensive Plan Map of 1980 to accommodate aviation related facilities in keeping with the Airport Master Plan, as amended. Facilities identified in the plan for upgrading and expanding the aviation aspects of the airport shall be exempted from review by the provisions of the planned development overlay. Any private or public aviation related industrial development that may in the future be contemplated shall be subject to the provisions of this ordinance. The adoption of an airport zoning ordinance in the future may be appropriate, and additional requirements of such a zone shall be applied in conjunction with the requirements of this ordinance.

### West of Municipal Airport (Area 2)

This area shall be designated as industrial on the McMinnville Comprehensive Plan Map of 1980. The City shall encourage the location of aviation related industries or industries requiring extensive use of airport services, in this area. Zone changes to M-L (Limited Light Industrial), to M-1 (Light Industrial) and AH (Agricultural Holding) shall be allowed. Zone changes to M-2 (General Industrial) may be allowed upon findings that the intended use of the property shall be an aviation related industry, or an industry which requires extensive use of the airport services for its operation.

### West of Municipal Airport to Mobile Home Park (Area 3)

This area shall be designated as industrial on the McMinnville Comprehensive Plan Map of 1980. The City shall allow zone changes to M-L (Limited Light Industrial) and AH (Agricultural Holding) designations.

### East of Pacific Avenue - Industrial Area (Area 4)

This area shall be designated as industrial on the McMinnville Comprehensive Plan Map of 1980 to accommodate the existing industrial uses. Expansion of those uses may take place if compatibility with surrounding properties is insured.

### Airport Rendezvous (Area 5)

This area shall be designated as industrial on the McMinnville Comprehensive Plan Map of 1980. The areas designated AH (Agricultural Holding) on the map shall remain so designated until completion of the update of the Airport Master Plan. The adoption of an airport zoning ordinance, recommended land uses, and development controls for identified noise contours may be appropriate upon completion of the Airport Master Plan; any additional requirements enacted by the City shall be applied in conjunction with the requirements of this ordinance. Redesignation of the properties may be allowed after completion of the Airport Master Plan update and adoption of appropriate Master Plan recommendations, provided that the requirements of this ordinance are met, and upon determination that the proposed use is compatible with surrounding properties.

### Remainder of Planned Development Area

The remainder of the properties within the area covered by this ordinance shall be developed according to the designations on the McMinnville Comprehensive Plan Map. Site plan review as required in Chapter 17.51 of Ordinance No. 3380 shall include conditions to insure compatibility of allowed developments with proposed uses in surrounding areas.

Section 5. Procedures for Review.

- (a) Annexation to the City of lands within the area covered by this ordinance shall meet the requirements of the annexation ordinance.
- (b) Comprehensive Plan Map amendments shall be processed under procedures set out in Ordinance No. 4127.
- (c) Zone changes and land divisions submitted for approval shall be processed under the requirements and standards of Chapter 17.51 of Ordinance No. 3380 (Zoning Ordinance). If standards and requirements of Chapter 17.51 differ with those established elsewhere by the City, the more restrictive standards and requirements shall be adhered to.
- (d) Land division requests shall also be processed under the requirements of Ordinance No. 3702 (Land Division Ordinance).
