Overview

In order to operate a bed and breakfast establishment with fewer than three guest sleeping rooms in residentially zoned areas of the City of McMinnville, a property owner must first submit an application and meet a specific set of standards as set forth in Section 17.12.010(N) (Permitted Uses) of the Zoning Ordinance, and also listed below. [Note that such establishments are also subject to the requirements of the *Transient Lodging Tax* program, which is administered by the City's Finance Department.]

Application Submittal

The following materials must be provided at the time of submittal, or the application will not be accepted for processing.

- A completed Bed and Breakfast application form.
- A site plan (drawn to scale, with a north arrow, legible, and of a reproducible size), clearly showing the location of the residence; and existing and proposed features within and adjacent to the subject site, such as: lot and street lines with dimensions; driveway(s); parking; distances from property lines to structures; improvements; and significant features.
- Digital photographs of the subject residence's exterior.
- Floor plan showing the size, function, and arrangement of interior rooms.
- If applicable, a written agreement with the property owner providing the required off-street parking space.
- Payment of the applicable review fee.

Review Process

An application for a Bed and Breakfast permit is subject to review by the Planning Director as stated in Section 17.72.110 (Director's Review with Notification) of the Zoning Ordinance, after notification of the application has been provided to property owners within 100-feet of the subject site. The decision made by the Planning Director may be appealed to the Planning Commission as outlined in Section 17.72.170 (Appeal from Ruling of Planning Director) of the Zoning Ordinance.

The Director may approve, approve with conditions, or deny the application, based on the following criteria:

1. That the structure be designed for and occupied as a single-family residence. The structure shall retain the characteristics of a single-family residence.
2. That the establishment be owner-occupied.
3. That no more than two guest sleeping rooms are provided on a daily or weekly basis for the use of no more than a total of five travelers or transients at any one time.
4. That a minimum of one off-street parking space be provided for the two permitted guest sleeping rooms. The required off-street guest parking may be provided on an existing parking lot located within 200 feet of the bed and breakfast establishment.
5. That signage be limited to only one non-illuminated or incidentally illuminated wooden sign not exceeding three (3) square feet of face area.
6. That the duration of each guest's stay at the bed and breakfast establishment be limited to no more than seven consecutive days and no more than 15 (fifteen) days in the 30-day period.
7. That smoke detectors be provided as per the requirements for "lodging houses" in Ordinance No. 3997 "...in all corridors or areas giving access to rooms used for sleeping purposes, and in all sleeping rooms. Where sleeping rooms are on an upper level, an additional detector shall be placed at the center of the ceiling directly above the stairway."
8. Permits may be renewed for one-year periods upon request of the applicant by filing a renewal application with the Planning Department and upon payment of a \$25 fee, provided that the permit has not been terminated under the provisions of Section 17.12.010(N)(9) below.
9. Complaints on conditions 1 through 8 above will be reviewed by the Planning Commission at a public hearing. The Commission will review complaints based on the criteria listed in Section 17.74.030 (Authorization to Grant or Deny Conditional Use) and Section 17.74.040 (Placing Conditions on a Conditional Use Permit) of the Zoning Ordinance. If the bed and breakfast establishment is found to be in violation of the criteria, the Planning Commission may terminate the use.
