

## State of Oregon COVID-19 Emergency Business Grant Application

The Oregon Legislature, in partnership with the Governor, allocated \$22.5 Million of federal CARES Act funds for the purpose of providing financial assistance to small businesses adversely affected by economic conditions as a direct result of the COVID-19 pandemic.

To fill gaps not reached by other programs, these federal funds are directed to adversely affected businesses with 25 or fewer employees. COVID-19 Emergency Business Grant awards to eligible businesses that have received federal funding will be reduced by the amounts of federal funding received from those programs. Businesses may use the proceeds for any business-related operating expenses.

This application is for a business that meets all of the following eligibility requirements:

- The business is headquartered in Oregon and has its principal operations in Oregon.
- If required by Oregon law to be registered with the Oregon Secretary of State to do business in Oregon, the Business is so registered.
- The business has 25 or fewer employees.
- The business was adversely affected in either one of the following two ways:
  - For-profit and non-profit (limited to 501(c)(3) corporations) businesses that were prohibited from operation as directed by Executive Order 20-12.
  - For-profit and non profit (limited to 501(c)(3) corporations) businesses that can demonstrate a one-month decline in sales of 50% or more, incurred by the COVID-19 pandemic, beginning in the month of March 2020 up to the date of this application as compared against sales in the month of January 2020 or February 2020, or as compared against the same period of time in 2019.

The following businesses are ineligible to apply for or receive funding under the Program:

- Passive real estate holding companies and other entities holding passive investments.
- Non-profit entities that do not have federal 501(c)(3) status.
- Businesses that experience a decline in revenues for reasons other than those caused by the COVID-19 epidemic (e.g. seasonal or cyclical businesses cycles).
- Businesses that are delinquent on federal, state or local taxes that were due on or before the date of application.
- Businesses that do not comply with all federal, state and local laws and regulations.
- Businesses that have already received grant funds through this State of Oregon COVID-19 Emergency Business Grant program or from the Statewide Business and Cultural Support Program.
- Businesses that have received more federal CARES funding (e.g. PPP or EIDL) than available to eligible businesses set forth by this program in this application.
- Businesses that do not otherwise meet the eligibility requirements set forth above.

Awards to eligible businesses will be made as a grant. The amount of the grant will be the greater of two figures: 1) based on the number of employees before the COVID-19 crisis, less the amount of any federal assistance received by the applicant; or 2) based on the number of employees before the COVID-19 crisis and the documented amount of fixed operating expenses for the 60 day period of January 1 through February 29, 2020, less the amount of any federal assistance received by the applicant:

- 0-5 employees
  - \$2,500, or
  - 60-day fixed expenses up to a maximum of \$5,000.
- 6-10 employees
  - \$5,000, or
  - 60-day fixed expenses up to a maximum of \$10,000.
- 11-15 employees
  - \$7,500, or
  - 60-day fixed expenses up to a maximum of \$15,000.
- 16-20 employees

- 21-25 employees
