ROW Permit, McMinnville Water & Light

Utility Pole Replacement & Relocation -NE 5th & Adams and NE 5th & Evans

McMinnville Water & Light will continue installing and relocating utility poles in the NE 5th Street corridor in conjunction with the Cities NE 5th Street Improvements Project. Night work at the intersection of 5th & Adams will begin Sunday evening Aug 21st and continue nightly through Wednesday Aug 24th. Works hours will be from 7pm to 5am to comply with ODOT permit requirements. Work on Evans Street between 5th & 6th will occur Thursday evening Aug 25th so crews can switch over power services to newly installed poles without disrupting nearby businesses. There will be intermittent lane closures. Traffic control signage will be in place and access to local businesses will be maintained at all times.

For more information contact Larry Sherwood via email at Larry.Sherwood@mcminnvilleoregon.gov or by phone at 503.434.7312.

NE 5th Street Improvements Project

Construction of curb extensions and handicap ramps at the intersection of 5th & Davis is underway and will continue into next week. There will be traffic impacts at times at this intersection, with Davis Street being closed periodically between 4th and 6th while crews pour concrete. Traffic control signage will be in place with detour routes set up as necessary.

For more information contact Larry Sherwood via email at Larry.Sherwood@mcminnvilleoregon.gov or by phone at 503.434.7312.

Habitat for Humanity Subdivision-Atlantic Street

Schmidt Excavating will be installing water services & storm sewer on Atlantic Street as part of the Atlantic Street Community subdivision project. Intermittent lane closures on Atlantic Street are expected with traffic control measures in place.
