My name is Grayson Barrows and I am applying for a position on the McMinnville Airport Commission. I have 18+ years of experience in aviation and currently work at Precision Support Services, LLC at McMinnville airport. My position with Precision is General Manager and Accountable Manager for the FAA Part 145 Repair Station.

Following a Bachelor's Degree in Business Management from Ithaca College in 2002 I spent five years with Evergreen International Aviation managing the FAA Part 135 rotor-wing operations, flying in the Gulf of Mexico and setting up international bases in Peru, Ecuador, and Trinidad & Tobago. I lived in McMinnville from 2002 through 2007, was an active member in the flying community and attended many local events. Following Evergreen, I joined Texas Aviation Services for four years. I managed business development and test flight operations for the FAA, EASA and ANAC Part 145 Repair Stations.

To further diversify my career, I spent four years with Aviation Search Group (JS Firm), an executive search firm focusing on placements in aerospace. I established relationships with rotor-wing, fixed-wing, and unmanned organizations in all facets of the industry.

My family (wife, two children, and I) moved back to McMinnville this spring. We always talked about moving back to Oregon and raising our children here in McMinnville. When the opportunity came available with Precision, we jumped at it. Our children attend the public-school system in McMinnville and my wife Denise is a volunteer religious ed teacher at St. James Church.

I am a third generation fixed-wing and rotor-wing pilot with approximately 3,500 flight hours and have owned several airplanes and helicopters over the past 15-years. I grew up on an airport started by my Grandparents in 1947 (4N7) and aviation is not just my career but my hobby and passion.

I belong to various memberships in the aviation community including Aircraft Owners and Pilots Association (AOPA), Experimental Aircraft Association (EAA), Young Eagles, Helicopter Association International (HAI), and Skywagons International. I plan to use all my network connections and resources available to help the current commission grow and expand our local and regional outreach.

My interest in serving on the McMinnville airport commission is to help grow the local and regional awareness of our airport. In my opinion MMV is in a prime position to not only grow, but to enhance the entire community. If selected to be on the airport commission I will be active, participate in meetings and bring fresh ideas to the board. Whether it be a conversation or a social media outlet, my intent is to grow the awareness to General Aviation for the public and advocate its benefits. I intend to do the same for McMinnville Municipal Airport!

Thank you for your consideration!

MEMORANDUM

DATE: January 4, 2021
TO: Jeff Towery, City Manager
FROM: Mike Bisset, Community Development Director
SUBJECT: Public Hearing and Ordinance vacating a portion of SE Chandler Avenue between SE Davis Street and the Southern Pacific Railroad (RV 1-20)

Report in Brief:

This action is a public hearing and associated ordinance considering the vacation of a portion of SE Chandler Avenue between SE Davis Street and the Southern Pacific Railroad (RV 1-20).

Background:

Vacation of streets within the City limits is governed by ORS 271.080 *et seq.* The City has received a completed vacation petition, and associated application fee, from Shannon Thorson requesting that the City vacate SE Chandler Avenue between SE Davis Street and the Southern Pacific Railroad. That portion of SE Chandler Avenue is unimproved, and the applicant has indicated that the vacation of the right-of-way will help facilitate redevelopment of the adjacent properties.

The vacation petition included written consent from all owners abutting the vacation area (Shannon Thorson and Linfield University). Additionally, the well written consent from 31 of the 44 affected property owners was received, meeting the “two-thirds” requirement in statute.

On December 8, 2020, the Council of the City of McMinnville, Oregon, acting at a regularly scheduled meeting, adopted Resolution No. 2020-66, initiating proceedings and setting January 12, 2021 at 7:00pm, as the date and time for a public hearing to consider vacating the area.

Discussion:

The area subject to the request is unimproved, and the applicant has indicated that the vacation of the right-of-way will help facilitate redevelopment of the adjacent properties. There are no City owned utility facilities within the proposed vacation area.

Pursuant to the resolution, the City gave notice of the hearing by publication of a notice in the News Register on December 29, 2020 and January 5, 2021, and by the posting of a notice entitled “Notice of Street Vacation” at the ends of the vacation area.

Additionally, notice of the hearing was mailed to all affected utilities. McMinnville Water & Light has indicated that they have public water facilities within the proposed vacation area, and has provided the following comment:

- *“All public water facilities shall be relocated to public right-of-way at the applicant’s expense or an easement for these facilities be granted to McMinnville Water and Light (MWL) meeting MWL requirements.”*

Staff has reviewed that requirement with the applicant, and the applicant has indicated that a 20'-wide easement over the public water facilities would be acceptable. Thus, if the area is vacated, a public utility easement to the benefit of McMinnville Water & Light will need to be maintained over the public water facilities.

As of the date of this memo, no other comments regarding, or objections to the proposed vacation have been received.

Attachments:

1. Ordinance No. 5099
2. Ordinance Exhibit A
3. MWL easement form
4. Resolution 2020-66
5. Completed street vacation application materials

Recommendation:

Following consideration of any testimony received at the meeting, staff recommends that the City Council approve the vacation of the identified Chandler Avenue right-of-way and the retention of a public utility easement to the benefit of McMinnville Water & Light over the public water facilities within the vacated area.

ORDINANCE NO. 5099

AN ORDINANCE VACATING A PORTION OF SE CHANDLER AVENUE BETWEEN SE DAVIS STREET AND THE SOUTHERN PACIFIC RAILROAD (RV 1-20).

RECITALS:

On December 8, 2020, the Council of the City of McMinnville, Oregon, acting at a regularly scheduled meeting, adopted Resolution No. 2020-66, initiating proceedings for the purpose of vacating a portion of SE Chandler Avenue, between SE Davis Street and the Southern Pacific Railroad, described as follows, and shown on the attached Exhibit "A" (RV 1-20):

A tract of land located in Section 21, Township 4 South, Rang 4 West of the Willamette Meridian, City of McMinnville, Yamhill County, Oregon, in a portion of the Samuel Cozine Donation Land Claim No. 56, said tract being more particularly described as follows:

Beginning at the Southwest corner of Block 7 of MRS. P.W. CHANDLER'S FIRST ADDITION to the City of McMinnville, said corner being SOUTH 317.46 feet from a brass screw and washer marking the northwest corner of Parcel 1 of Partition Plan No. 2005-34; thence along the south line of said Block 7 being the North line of Chandler Avenue South 89°54'17" East 184.50 feet to the west margin of Southern Pacific Railroad; thence along said west margin South 26°05'27" West 66.75 feet to the northeast corner of the tract of land conveyed to Linfield College, recorded October 1, 1983, in Film Volume 180, Page 1940, Deed Records of Yamhill county, Oregon; thence along the north line of said "Linfield College" tract and South line of said Chandler Avenue North 89°54'17" West 155.24 feet to the northwest corner of said "Linfield College" tract being a point on the east margin of Davis Street; thence leaving said tract North 00°05'21" East 60.00 feet to the POINT OF BEGINNING, containing 10,192 square feet more or less, as shown on a map attached hereto and made a part hereof.

The basis of Bearing for this description per Partition Plat No. 2005-34

By that resolution, the Council set January 12, 2021, at 7:00 p.m. via Zoom and in the Kent L. Taylor Civic Hall, 200 NE Second Street, McMinnville, as the time and place for a hearing on the vacation of the area and any objections to that vacation.

Pursuant to the resolution, the City gave notice of the hearing by publication of a notice in the News Register on December 29, 2020 and January 5, 2021, and by the posting of a notice entitled "Notice of Street Vacation" at the ends of the vacation area.

Additionally, notice of the hearing was mailed to all affected utilities in the vicinity of the proposed vacation.

On January 12, 2021, at 7:00 p.m., the public hearing on the proposed vacation was opened, any objections filed against the proposed vacation were considered, and the Council considered the matter.

NOW, THEREFORE, THE CITY OF McMinnville Ordains as follows:

1. Findings. The above-Recitals are incorporated as if fully set forth herein. The Council also adopts the accompanying Staff Report as findings of the Council. The Council finds that the public interest will not be prejudiced by the vacation of the area and that the area should be vacated and that the requirements of ORS 271.080 *et seq.* have been met.
2. That the Chandler Avenue right-of-way as described herein and shown on the attached Exhibit "A" is hereby fully and forever vacated and the title to the vacated property shall attach to the lot(s) bordering the property subject to the following conditions:
 - (a) SUBJECT TO: reserving to the City of McMinnville, acting by and through its Water and Light Commission (MW&L) a utility easement over the street shown on Exhibit "A" until such time as the owner(s) of the lot(s) burdened by said easement record(s) in the real property records of Yamhill County, Oregon in a form accepted by MW&L, a 20-foot-wide utility easement centered on the MW&L facilities (water main, service extensions, and hydrant), and upon the acceptance and recording of said utility easement the remaining portion of owner's property outside of the recorded utility easement is forever released to said owner(s) from the easement burden.

RE: Remaining signatures and survey map for Chandler vacation

Included please find additional signatures for the vacation of Chandler Street and the survey map from Leland McDonald & Associates. Several more signatures came in from this last mailing, and I believe, along with the additional Linfield properties Mike pointed out that we could list, we now have more signatures than required (fingers crossed).

Please contact me with any additional needs. Thank you so much!
