

Supplemental questions for the position of  
Operations Chief  
Fire Department  
City of McMinnville

Please respond to the following supplemental questions. Limit your responses to no more than 500 words per question.

- 1) The Oregon Health Authority requires an EMS agency to have a medical director. What are some services the Oregon Health Authority requires a physician to provide for the EMS agency and what involvement from the medical director do you see as vital for a successful EMS agency? Additionally, how would you manage the relationship with a contract medical director?
- 2) The City of McMinnville's Fire Department is working towards creating a Fire District with one or more smaller surrounding agencies in Yamhill County. The current department is a combination department and all surrounding agencies are volunteer agencies. Although there will be an increase in the number of career staff, the majority of responders in the proposed new district will be volunteers. Describe your experience ensuring a positive collaboration between career and volunteer members.
- 3) The McMinnville Fire Department is a combination department consisting of career, union, and volunteer members. As the Operations Chief, how would you ensure all member are held accountable for performing to the same standards?
