

Board Game Inventory

Do you have an eye for detail and like to keep things organized? Then come help is with our Library Games! Keep them correct and accounted for by helping us keep track of all the pieces and trinkets.

Time commitment:

- Weekly, for a minimum of 3 months

Available shifts:

- Flexible day/time - however, would need a regular 2 hour shift per week (Sunday we are closed)

Tasks & Responsibilities:

- Counting the parts to a game (or a Thing in the Library of Things)
- Weighing game parts
- Labeling parts of the game with the correct weights
- Maintaining a list of all the games that have been inventoried for weight
- Occasionally checking to ensure scales(weights) are still accurate

Other requirements:

- Detailed oriented
