

Bookmobile Activity Assistant

Want to help spread the Library cheer? Consider taking your time this summer to help bring fun activities to children around our city and neighborhoods. Assist the Bookmobile Librarians with conducting an outreach activity this summer!

Time commitment:

- One-off over the summer 2026

Available shifts:

- Week/Date TBD but will be Tuesday AND Thursday, 10:15am-11:45am

Tasks & Responsibilities:

- Assist with management of involved science experiment type, kid-friendly activity
- Set-up and cleanup of various materials
- Distribute supplies to kids and help them follow the activity's steps
- Activity overview will be communicated in advance so that the volunteer can be familiar with the project

Other requirements:

- Ability to squat, reach, and use fine-motor hand coordination (twisting bottle caps, measuring ingredients, etc) may be required
