

Press Release

The McMinnville Municipal Court finds it necessary to postpone all in-person court appearances until May 6, 2020.

The United States Supreme Court, federal district courts, state courts, municipal courts and justice courts throughout the State of Oregon have responded to the public health emergency with measures designed to protect as many people as possible involved with the functions of the court, including all staff, attorneys, plaintiffs and defendants, while being responsive to the dictates of justice.

In addition, the McMinnville City Hall will be closed to the public until March 31. Municipal Court staff will be available by phone, mail or email to answer questions, address concerns or reschedule court appearances.

Jury Service

All persons now on the jury panel for McMinnville Municipal Court are relieved of any jury service duties through May 6, 2020. All jurors 60 years of age, or with any compromised health condition, or caring for a loved one with such condition, are relieved of jury duty upon request.

Violations Bureau

All pending traffic appearance and pleas may be handled without the need for an in-person appearance through the Municipal Court Violations Bureau. Contact Municipal Court staff for more information.
