COMMUNITY SERVICE ORGANIZATIONS

The organization you chose to perform your COMMUNITY SERVICE hours must be a **NON-PROFIT** organization registered with the State of Oregon. To confirm whether an organization is registered as a non-profit check with the Secretary of State's website: <http://sos.oregon.gov> and conduct a non-profit search.

Contact the organization. Inform the organization you have Court Ordered community service to complete. The agency must know the nature of your charges and the number of hours ordered.

- Below is a list of acceptable organizations which may accept your work.
- Organizations listed are not obligated to accept any or all community service workers and whether you can work there is at their discretion. If you want to work for another organization that is not on this list, you must provide approval to the court clerk for review and **court approval prior** to commencing work.
- Once you have completed the court-ordered community service, you must provide the court with proof of the hours worked. Verification of hours completed must be on the non-profit organization's letterhead.
