

RESOLUTION NO. 2016-92

A Resolution authorizing the City Manager or designee to enter into and manage a contract with ASSA ABLOY Entrance Systems for replacement of front vestibule doors at the Library in an amount not to exceed \$20,000.00.

RECITALS:

In order to better serve all patrons of the McMinnville Library, including patrons with disabilities, the City desires to replace the existing front doors in the vestibule with automatic sliding glass doors.

The Friends of the McMinnville Public Library have agreed to support the project by pledging to make a gift to the Library, the City, and the community in the amount of the cost of replacing the library doors. This is made possible by a gift from the William F. and Rosadele J. Dickman Trust to the Friends of the Library.

The City solicited written quotes for the project, which was estimated to cost less than \$50,000, and the quotes were evaluated based on a combination of price (70%), visual aesthetics of the design (20%), and time required to complete the project (10%).

Quotes were received by not later than December 8th, 2016, as follows:

ASSA ABLOY Entrance Systems: \$13,916.88

The Library Director recommends award of the Contract to AASSA ABLOY Entrance Systems, based on the ranking of quotes in accordance with the advertised evaluation criteria.

NOW, THEREFORE, BE IT RESOLVED BY THE COMMON COUNCIL OF THE CITY OF MCMINNVILLE, OREGON as follows:

1. That the engagement of ASSA ABLOY Entrance Systems for replacement of front vestibule doors is approved.
2. The City Manager or designee is authorized to execute the agreement and such other documents as are necessary to carry out this decision.
3. This Resolution will take effect immediately upon passage.

Adopted by the Common Council of the City of McMinnville at a regular meeting held the 13th day of December, 2016 by the following votes:

Ayes: Drabkin, Jeffries, Menke, Ruden, Yoder

Nays: _____
