

RESOLUTION NO. 2018-15

A Resolution awarding the Personal Services Contract for utility design services related to the Three Mile Lane Bridge replacement project.

RECITALS:

The Oregon Department of Transportation (ODOT) is currently working on the design of a project to replace the Three Mile Lane Bridge.

The City of McMinnville and McMinnville Water and Light wish to coordinate the design and installation of several utility lines with the bridge construction.

OBEC Consulting Engineers (OBEC) is part of ODOT's design team for the bridge replacement project, and is on ODOT's approved consultant list for local agency projects.

To minimize construction conflicts, and to allow for efficient construction of the bridge and utility work, the City (in consultation with MWL), has chosen OBEC to complete the utility design work. The utility construction plans prepared by OBEC will be incorporated into ODOT's project contract documents and construction plans.

The expected cost for OBEC's utility design work is approximately \$217,761. As estimated, the City's share of the utility design work is approximately \$103,310, and MWL's share of the utility design work is approximately \$114,452.

Funding for the City's portion of the project design is included in the estimated FY18 and proposed FY19 Wastewater Capital Fund (77) budgets.

NOW, THEREFORE, BE IT RESOLVED BY THE COMMON COUNCIL OF THE CITY OF McMINNVILLE, OREGON, as follows:

1. That the Personal Services Contract with OBEC Consulting Engineers (OBEC) in the amount of \$217,761.00 for utility design services related to the Three Mile Lane Bridge replacement project, is hereby approved.
2. That the City Manager is hereby authorized and directed to execute the Personal Services Contract.
3. That this resolution shall take effect immediately upon passage and shall continue in full force and effect until revoked or replaced.
