Swimming Lessons

SWIMMING LESSON LEVELS

Use the skill guides below to sign up for the correct level. If you are unsure which level to sign up for, you may take a free swim test during any family or public swim time. Classes are separated by skill level and by age. Ages are grouped 4–5, 6–13, and 14+
Swimming, like any other skill, is best learned through practice. We encourage all participants to participate in FLIP time or other open swim times to practice.

Parent and Child

Wiggles and Giggles (6 mo to 2 yr) and Bubbles and Buddies (3–4 yr) work on Seahorse and Minnow skills with a child and parent/guardian in the water together.

Seahorses (Beginner)

Seahorse level focuses on building confidence and comfort in the water. All skills are performed with instructor or floatation assistance. First time students and those afraid of water should begin here. Four year-old beginners are recommended to start first with Bubble Buddies for more attention and comfort. Four classes per session.

Minnows (Beginner Plus)

Minnows is for students learning independence in the water. Instructors provide minimal support and assistance. Students are encouraged to explore independent floatation and movement. Sign up for Minnows if you can float independently for 3 or more seconds. Four classes per session.

Otters (Intermediate)

Otters is for students to explore new and efficient ways to move through the water. Students learn to move through the water in streamlined ways and explore crawl stroke and back stroke techniques. Sign up for Otters if you can jump into water, move 15 feet in the water then turn back and move to the wall without touching the bottom. Four classes per session.

Stingrays (Intermediate Plus)—Ages 6+

Stingrays is for students to improve crawl stroke (freestyle) and backstroke techniques and learn movements for other swim strokes. Students build strength and endurance in preparation for swimming multiple lengths of the pool. Sign up for Stingrays if you can jump into water, swim 30 feet with backstroke, then turn around and swim crawl stroke (freestyle) back to the wall without touching the bottom. Four classes per session.

Seals (Intermediate/Advanced)—Ages 7+

Students develop intermediate swim skills. Participants also build strength and endurance learning the 4 competitive strokes, wall turns, and diving. Sign up for Seals after passing a swim test with staff: 6 widths of the small pool crawl-stroke with side breathing and 4 widths each of backstroke and flutter kick. Eight 30-minute classes per session.

Dolphins (Advanced)—Ages 7+

Develop intermediate to advanced swim skills in the 4 competitive swim strokes. Participants also build strength and endurance swimming laps. Sign up for Dolphins after passing a swim test with staff: 150 yards crawl stroke, 100 yards backstroke, and 50 yards each—flutter kick on front and back, 25 yards breaststroke, and 25 yards butterfly or dolphin kick. Eight 60-minute classes per session.
