McMinnville TSP prepared by:

Andrew Mortensen, Project Manager
Michael Swenson, PE, Traffic Engineer
Taryn Monica, GIS Analyst

McMinnville TSP Update - Adopted by City Council: May 25, 2010

Table of Contents

1	EXECUTIVE SUMMARY	1
	How Was The TSP Prepared?	1
	McMinnville’s TSP: “Complete Streets” Plan	3
	Recommended Transportation Improvements	4
	Complete Street Projects	4
	Pedestrian and Bicycle Projects	6
	Transit and Transportation Demand Management	9
	Local Truck Route Improvements	9
	Recommended Policies	10
	Recommended Implementation Strategies	11
	Transportation Funding Plan	11
	Recommended Local Funding Strategy and Sources	13
	Summary	13
2	GUIDING GOAL AND POLICIES	1
	Goal and Policy Guidance	2
	McMinnville Comprehensive Plan Goal	2
	Supplemental TSP Policies	2
	Street Functional Classification & Street Standards	6
	State Highway Classifications	8
	Complete Street Design Guidelines	8
	Level of Service	11
	Access Management	12
	State Plans and Policy Review	12
3	EVALUATION OF MCMINNVILLE’S TRANSPORTATION SYSTEM	1
	Methodology to Estimate Future Travel Volumes	1
	Background and General Assumptions	1
	Land Use Assumptions	2
	Traffic Forecasts	5
	Street System Performance	9
	Future (2023) Traffic Performance	9
	Long-Range Future Options Considered	16
	Pavement Condition Inventory	20
	Sidewalk System Inventory	23
	Bicycle System Update	24
	Summary	24
4	STREET SYSTEM PLAN	1
	Street System Policies	1
	<i>Street Physical Characteristics</i>	4
	Travel Lanes	4
	Traffic Signals	4
	Speed Limits	6
	Traffic Safety	6
	Fatalities	6
	Safety Priority Index System (SPIS) Sites	6
	Pedestrian and Bicycle Collisions	7
	Traffic Volumes	7
	2006 Weekday PM Peak Hour Traffic Volumes	7
	2023 PM Peak Hour Traffic Volumes	10
	Maintenance	10
	Bridge Conditions	11
	Transportation System Management	12
	Traffic Signal Timing and Coordination	12
	Neighborhood Traffic Calming Program	13
	Capital Street Projects	14
	Complete Street Projects	14
	ODOT Programming Coordination	20
	Streetscape Enhancements	23
	Planning-Level Cost Estimates	23
5	PEDESTRIAN SYSTEM PLAN	1
	Pedestrian System Policies	1
	Existing Conditions	3
	Sidewalks	3
	Shared-Use Paths	4
	Curb Ramps	4
	Pedestrian Projects	6
	Priority Sidewalks	6
	Curb Ramp Program	7
	Pedestrian Implementation Strategies	15
	Sidewalk Construction	15
6	BICYCLE SYSTEM PLAN	1
	Bicycle System Policies	1
	Existing Conditions	2
	Revising the Bicycle Planning Language	2
	Defining Bicycle Users	4
	Bicycle System Inventory	5
	Shared-Use Paths	7
	Safety Conditions	7

- Bicycle Projects..... 7
 - Complete Street Projects – New Bicycle Lanes..... 7
 - Road Diets – Re-Striping Streets to Add Bicycle Lanes 7
 - Re-Striping “Sharrows” – Shared-Lane Facilities..... 10
- Bicycle Design Guide..... 11
 - Shared-Lane Symbols and Markings 11
 - Bike Lane Symbols and Markings 11
 - Bicycle Route Signing 11
 - Other Bicycle Design Features..... 11
- Bicycle Implementation Strategies..... 12
- 7** TRANSIT SYSTEM AND TRANSPORTATION DEMAND MANAGEMENT PLANS..... 1
- TRANSIT SYSTEM PLAN..... 1
 - Transit Policies..... 2
 - 1997 McMinnville Transit Feasibility Study..... 2
 - Existing Transit and Public Transportation 2
 - Future Transit Service 4
- TRANSPORTATION DEMAND MANAGEMENT PLAN..... 8
 - TDM Policies..... 8
 - TDM Plan 10
- 8** FREIGHT MOBILITY, AIR, RAIL AND PIPELINE PLANS..... 1
 - Introduction 1
 - Policies..... 1
 - Freight Mobility..... 2
 - Highway 99W 2
 - Highway 18..... 2
 - State and Local Truck Routes 2
 - Truck Priority Projects 4
 - County Road Connectors 4
 - Rail 4
 - Railroad Crossings 5
 - Air 7
 - Background 7
 - Plan Conclusions..... 7
 - Plan Recommendations 8
 - Water 9
 - Pipeline 9

- 9** FUNDING PLAN AND CAPITAL IMPROVEMENT PLAN 1
 - Overview 1
 - Funding Policy 2
 - Capital Improvements..... 2
 - Pavement Management 2
 - Capital Improvement Plan 3
 - Planning-level Cost Estimates..... 3
 - Transportation Funding Sources 4
 - Federal and State 4
 - Local 6
 - Recommended Funding Strategy 7
 - ODOT Partnering..... 8
 - Local Supplement Funding..... 8
 - Summary Funding Strategy and Sources 9
 - Summary..... 9
- 10** MCMINNVILLE TSP IMPLEMENTATION 1
 - Need for Implementation 1
 - Implementation Policies 1

Exhibits

- Exhibit 1-1 Complete Street Plan..... 5
- Exhibit 1-2 Pedestrian System Plan..... 7
- Exhibit 1-3 Bicycle System Plan..... 8
- Exhibit 1-4 YCTA Transit Ridership 9
- Exhibit 1-5 Recommended Truck Route Improvements 10
- Exhibit 1-6 McMinnville TSP Funding Plan Summary (2008 \$’s)..... 12
- Exhibit 2-1 Future Local Street Connections 5
- Exhibit 2-2 Relationship Between Mobility and Access 6
- Exhibit 2-3 McMinnville Street Functional Classification Map... 9
- Exhibit 2-4 Complete Streets Design Guideline..... 10
- Exhibit 2-5 Level of Service and V/C Ratios 12
- Exhibit 3-1 McMinnville Comprehensive Plan..... 1
- Exhibit 3-2 McMinnville Population and Housing Forecast..... 2
- Exhibit 3-3 McMinnville Employment Forecast 3
- Exhibit 3-4 McMinnville Commuter Travel..... 4
- Exhibit 3-5 2003 PM Peak Hour Traffic..... 6
- Exhibit 3-6 2023 PM Peak Hour Traffic..... 7
- Exhibit 3-7 Net Difference: 2023 -2003 PM Peak Hour Traffic..... 8

Exhibit 3-8 2003 PM Peak Hour V/C..... 10
 Exhibit 3-9 2023 PM Peak Hour V/C..... 11
 Exhibit 3-10 Existing Street and Traffic Control: Downtown 14
 Exhibit 3-11 Revised Street and Traffic Control: Downtown..... 15
 Exhibit 3-12 New Yamhill River Bridge Option..... 17
 Exhibit 3-13 New OR 18 Interchange 18
 Exhibit 3-14 2000 Census – Journey-To-Work Comparison 19
 Exhibit 3-15 Pavement Condition Index –
 Arterial and Collector Streets 20
 Exhibit 3-16 Street Pavement Conditions 21
 Exhibit 3-17 Preventative Pavement Maintenance 22
 Exhibit 3-18 Comparative Street Maintenance Expenditures 23
 Exhibit 3-19 Sidewalk System Summary 24
 Exhibit 3-20 Sidewalk System Inventory..... 25
 Exhibit 3-21 Missing Sidewalks and Curb Ramps 26
 Exhibit 3-22 Existing Bicycle System 27
 Exhibit 4-1 Speed Limits and Traffic Control..... 5
 Exhibit 4-2 Safety Priority Index – OR 99W: 2005-2007..... 7
 Exhibit 4-3 Traffic Accident History: 2000-2005..... 8
 Exhibit 4-4 2006 PM Peak Hour Traffic & V/C 9
 Exhibit 4-5 McMinnville Capital Improvement Plan
 Project List 15
 Exhibit 4-6 McMinnville Complete Street Project Map..... 16
 Exhibit 4-7 Traditional Traffic Control Corridor..... 18
 Exhibit 4-8 Roundabout Control Corridor..... 19
 Exhibit 4-9 Highway 18/99W Plan..... 21
 Exhibit 4-10 Highway 18 Corridor Refinement Plan - Status 22
 Exhibit 5-1 McMinnville Sidewalks (miles) 3
 Exhibit 5-2 Existing and Missing Sidewalks 5
 Exhibit 5-3 Curb Ramp Types..... 6
 Exhibit 5-4 McMinnville Curb Ramps 6
 Exhibit 5-5 Pedestrian Accessibility - Composite..... 8
 Exhibit 5-6 Pedestrian System Plan..... 9
 Exhibit 5-7 Third Street Streetscape Plan Summary 13
 Exhibit 6-1 Bikeway Facility Definitions..... 4
 Exhibit 6-2 Existing Bicycle Facilities 6
 Exhibit 6-3 Bicycle System Plan..... 8
 Exhibit 6-4 Road Diet – Baker Creek Road 9
 Exhibit 6-5 Road Diet – Wallace Road..... 9
 Exhibit 6-6 Road Diet – Highway 99W (Baker Street) 10
 Exhibit 6-7 Candidate Sharrow Routes..... 10

Exhibit 6-8 “Sharrow” Symbol and Pavement Marking 11
 Exhibit 7-1 YCTA Current Transit Routes 3
 Exhibit 7-2 YCTA Transit Ridership 4
 Exhibit 7-3 YCTA Transit System Plan 5
 Exhibit 7-4 Bus Stop Design Examples..... 7
 Exhibit 7-5 Work Commute Comparative - Mode Share..... 10
 Exhibit 7-6 Transit Ridership vs. Gas Prices..... 11
 Exhibit 8-1 Truck Routes in the City of McMinnville..... 3
 Exhibit 8-2 Recommended Truck Route Improvements 4
 Exhibit 8-3 Recommended Railroad Crossing Improvements ... 6
 Exhibit 9-1 Comparative Transportation Taxes & Fees 1
 Exhibit 9-2 Comparative Material Costs and Highway Fund
 Revenue 1
 Exhibit 9-3 Summary of TSP Planning-Level Costs..... 4
 Exhibit 9-4 McMinnville’s Capital Improvement Plan 5

Tables

Table 1-1 Recommended Funding Strategy 13

Appendices

Appendix A - Glossary of Terms

Appendix B - Summary of Federal, State and Regional Policy and Plans

Appendix C - Transportation Analyses, Bridge Ratings, Traffic Signal Warrants

Appendix D - TSP Project Summaries

Appendix E - Comprehensive Plan Policies

Appendix F - Recommended Access Management Policy

Appendix G - Recommended Changes to City Street Design Standards

Appendix H - Transportation Planning Rule Compliance

Appendix I - Neighborhood Traffic Calming Program

Appendix J - Walk To School Route Plans
