Overview

The comprehensive plan map describes the long-term direction and vision for the growth and development of our community. The zoning map describes the various zoning classifications for each parcel in McMinnville, as it exists today. Requests to amend either of these maps can be initiated by a property owner and are subject to review and approval by the McMinnville Planning Commission and City Council. Prior to submitting a request to amend either map, you are strongly encouraged to meet with Planning Department staff to discuss application and submittal requirements, scheduling, and the details of your proposal and its consistency with the McMinnville comprehensive plan. Further information regarding these processes can be found in Sections 17.72.120 (Applications – Public Hearings) to 17.72.0130 (Public Hearing Process) and 17.74.020 (Comprehensive Plan Map Amendment and Zone Change - Review Criteria) of the McMinnville Zoning Ordinance.

Application Submittal

The following materials must be provided at the time of submittal, or the application will not be accepted for processing.

- A completed Comprehensive Plan Map Amendment and/or Zone Change application form. If additional explanation or materials would assist or support the request, include them with the application form.
- A site plan (drawn to scale, with a north arrow, legible, and of a reproducible size), indicating existing and proposed features within and adjacent to the subject site, such as: access; lot and street lines with dimensions; distances from property lines to structures; improvements; and significant features (slope, vegetation, adjacent development, drainage, etc.). If of a larger size, provide five (5) copies in addition to **an electronic copy** with the submittal.
- A legal description of the subject site, preferably taken from the deed.
- Compliance of Neighborhood Meeting Requirements
- Payment of the applicable review fee.

Review Process

A request to amend the zoning map or comprehensive plan map is subject to review by the Planning Commission at a public hearing, who then forwards a recommendation to the City Council for their approval. In advance of the Commission hearing, notice is mailed to neighboring property owners advising them of the requested action and inviting their participation in the upcoming hearing. The process for providing notification and reviewing a request to amend the zoning map or comprehensive

plan map is outlined in Sections 17.72.120 (Applications-Public Hearings) and 17.72.130 (Public Hearing Process) of the Zoning Ordinance. While a complete application for a request to amend the zoning map must be submitted 35 (thirty-five) days prior to the date of the first public hearing, a request to amend the comprehensive plan map must be submitted 45 (forty-five) days prior to the date of the public hearing to ensure that notice of the application is provided to the Department of Land Conservation and Development, as required by State law.

The Planning Commission will use the following criteria in reaching a decision to approve, approve with conditions, or deny an application to amend the zoning map or comprehensive plan map.

- A. The proposed amendment is consistent with the goals and policies of the Comprehensive Plan;
- B. The proposed amendment is orderly and timely, considering the pattern of development in the area, surrounding land uses, and any changes which may have occurred in the neighborhood or community to warrant the proposed amendment; and
- C. Utilities and services can be efficiently provided to serve the proposed uses or other potential uses in the proposed zoning district.

The Planning Commission will make a recommendation to the City Council to either approve or deny the request or approve the request in a different form. The City Council will either adopt an ordinance reflecting the proposed map amendment or zone change, or call for a public hearing.

The decision made by the Planning Commission may be appealed to the City Council as stated in Section 17.72.180 (Appeal from Ruling of Planning Commission) of the Zoning Ordinance. A decision of the City Council may be appealed to the Oregon Land Use Board of Appeals (LUBA), if filed in accordance with the requirements of State law.
