# COMPREHENSIVE PLAN MAP – PHASE II:

## **1.0 Comprehensive Plan Designations (Phase II)**

The McMinnville Comprehensive Plan Map was amended in 2004 for the Phase I McMinnville MGMUP UGB amendment, which added 418 gross acres (or 259 gross buildable acres) of land to the UGB.

Table 1 identifies the final proposed land use designations in the Phase II McMinnville Growth Management and Urbanization Plan (MGMUP) urban growth boundary (UGB) amendment.

**Table 1: Total final land designations in McMinnville's UGB Amendment, 2003-2023, Phase II.**

Category of Land Need	Gross Buildable Acres (to satisfy land need)
Residential	<b>595.40</b>
Commercial	<b>26.70</b>
Industrial <sup>1</sup>	<b>40.30</b>
<b>Total</b>	<b>662.40</b>

<sup>1</sup> As a land-use efficiency, the City of McMinnville will rezone 40 acres of industrially zoned property within the existing UGB to a commercial zone, and amend its UGB to include an exception area that will be designated for industrial use. This action preserves higher value, higher priority farmland outside of the UGB.

The City of McMinnville will use an Urban Holding (UH) Comprehensive Plan Designation for all residential land added to the UGB until land use planning is completed that enables the adoption of urban land use designations. This will allow for maximum efficiencies of land use within the UGB expansion areas, and to ensure that the City's need for various housing types, commercial uses, and public amenities are achieved.

# COMPREHENSIVE PLAN MAP – PHASE I and II:

## **3.0 Comprehensive Plan Designations (Phase I and II)**

In 2004, 418 gross acres (or 259 gross buildable acres) were amended into McMinnville's UGB as Phase I of the City's periodic review effort. According to the City's HNA, EOA and BLI (Appendix A and Appendix B of the MGMUP), 259 gross buildable acres was not enough to accommodate the City's need for housing, employment and livability, but the remaining acreage that was proposed was appealed to the Court of Appeals of the State of Oregon, which eventually remanded the proposal back to the City of McMinnville for more analysis. Phase II of this effort as described above provides the remaining acreage needed to accommodate the City's land need, based on the direction of the Court of Appeals remand decision.

**Table 4: Total final land designations in McMinnville UGB Amendment, 2003-2023, gross buildable acres, (Phase I and Phase II)**

<b>Category of Land Need</b>	<b>Gross Buildable Acres (to satisfy land need)</b>
<b>Residential</b>	<b>854.40</b>
<b>Commercial</b>	<b>26.70</b>
<b>Industrial<sup>1</sup></b>	<b>40.30</b>
<b>Total</b>	<b>921.40</b>

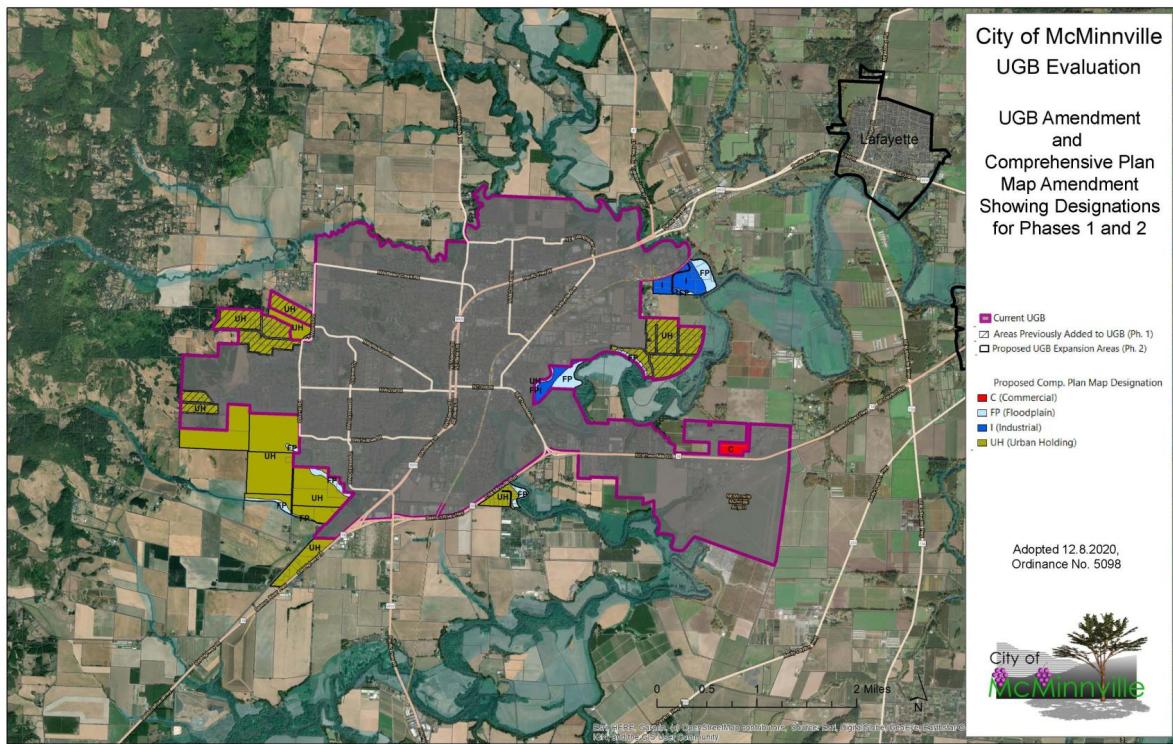

<sup>1</sup> As a land-use efficiency, the City of McMinnville will rezone 40 acres of industrially zoned property within the existing UGB to a commercial zone, and amend its UGB to include an exception area that will be designated for industrial use. This action preserves higher value, higher priority farmland outside of the UGB.

The City of McMinnville will use an Urban Holding (UH) Comprehensive Plan Designation for all residential land in the UGB until land use planning is completed that enables the adoption of urban land use designations. This will allow for maximum efficiencies of land use within the UGB expansion areas, and to ensure that the City's need for various housing types, commercial uses, and public amenities are achieved.

## **4.0 Comprehensive Plan Map Amendment (Phase I and Phase II)**

The City of McMinnville is proposing to amend the comprehensive plan map designations of the Phase 1 MGMUP to Urban Holding. None of that land has been annexed into the City of McMinnville, and the City would like to undertake a similar area planning process on that land to ensure that the City is meeting the identified housing, employment, and livability land needs and apply the Planning Principles of the MGMUP.

**Map 2: McMinnville MGMUP Remand UGB and Comprehensive Plan Map (Phase I and Phase II)**

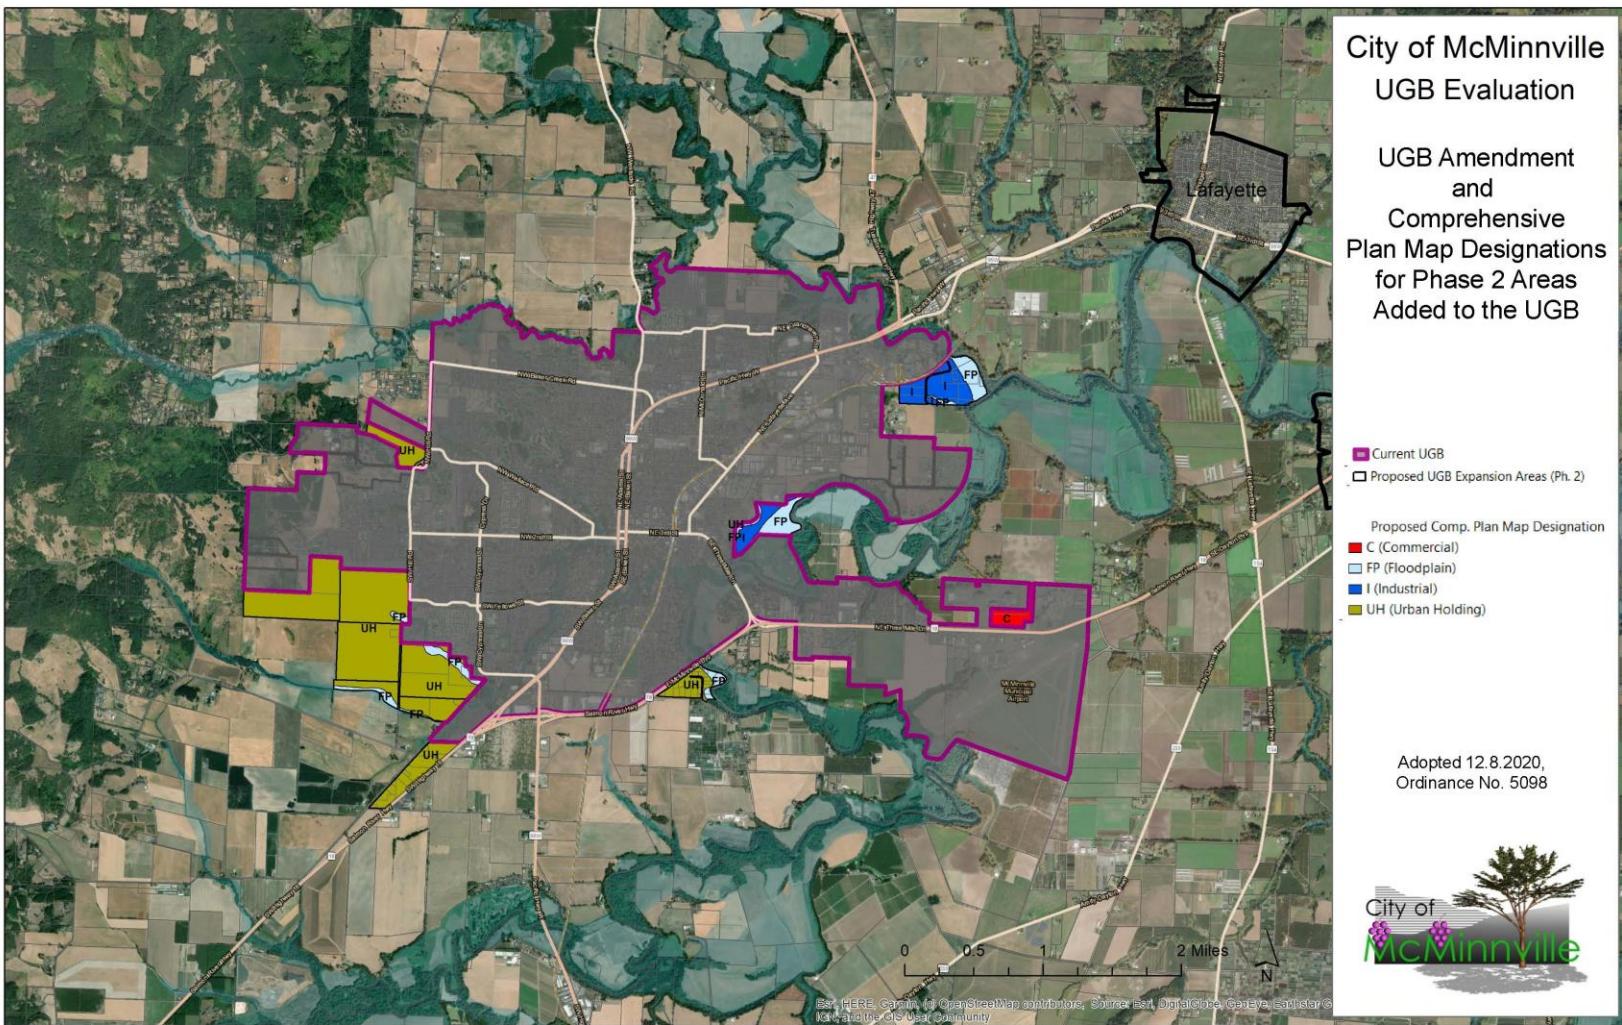

Some of the proposed UGB expansion includes acreage that is not buildable, such as floodplains, land with slopes that are greater than 25%, and land that already has development on it. Table 4 describes the total gross acres of UGB expansion land needed to accommodate the City's identified housing, employment, and livability needs.

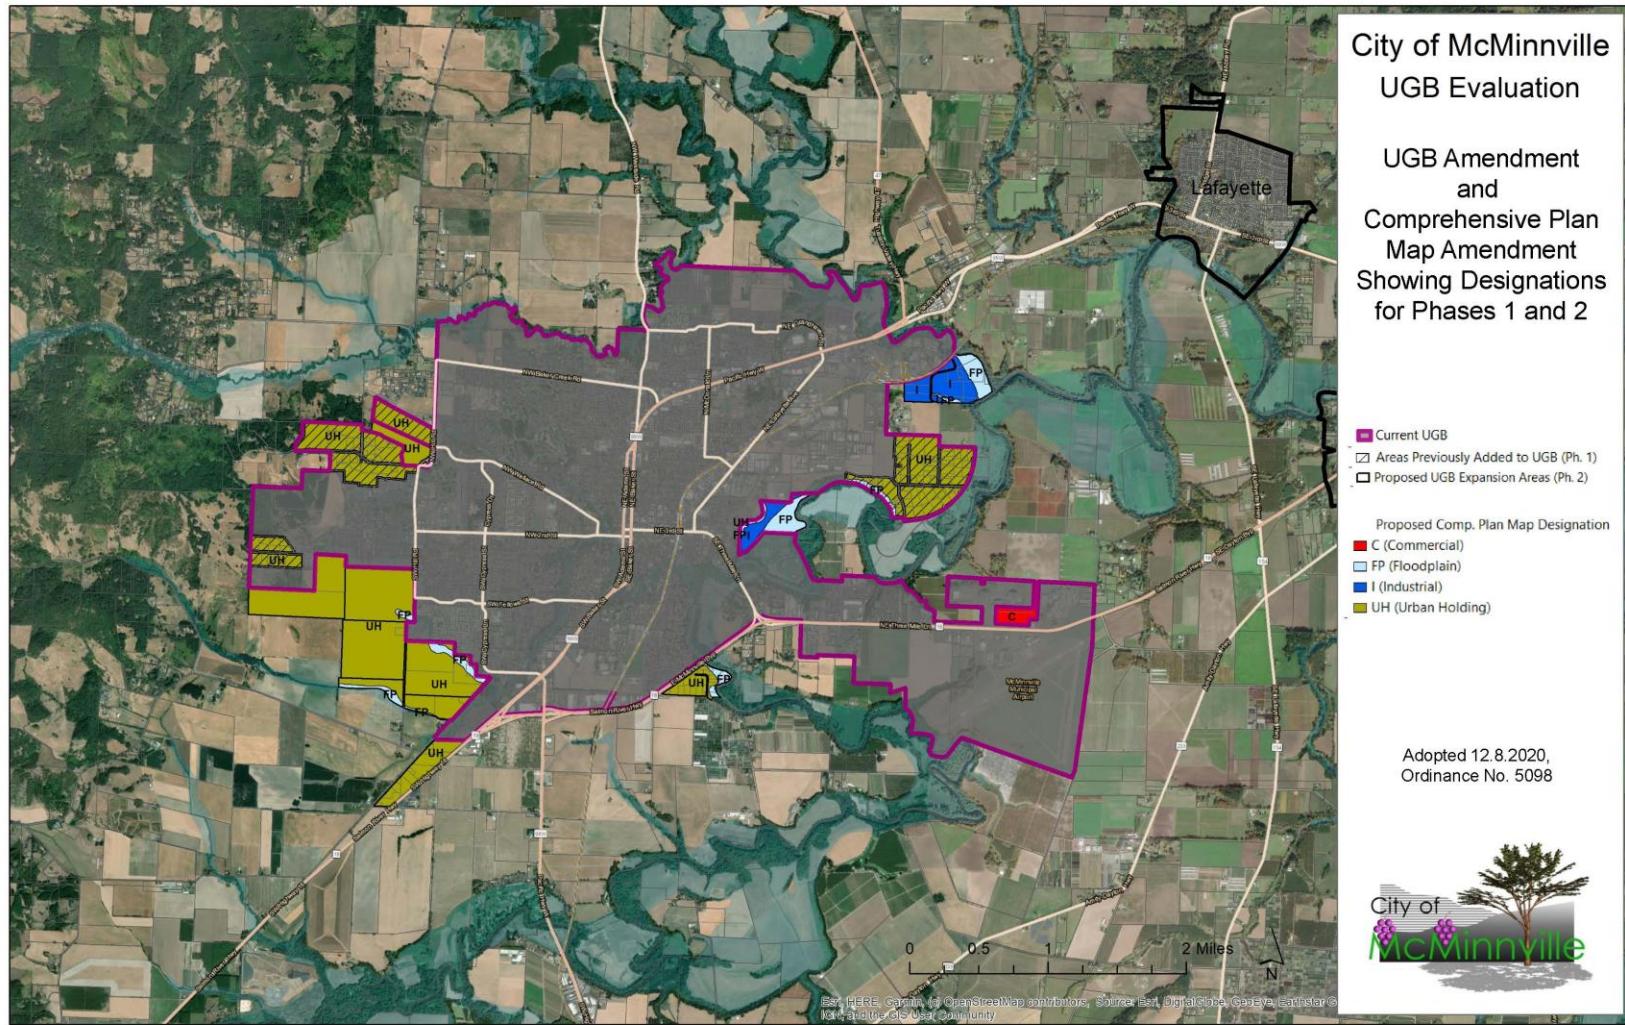

**Table 4: Comprehensive Plan designations in the McMinnville UGB, 2003-2023, gross acres, (Phase I and Phase II)**
