#### **IV. Comments Received**

A letter was received from the Oregon Department of Land Conservation and Development, April 26, 2021. (on file with the Planning Department).

#### **V. CONCLUSIONARY FINDINGS:**

##### ***Alignment with Oregon Revised Statutes and Administrative Rules:***

**ORS 329A.440** – Oregon Revised Statute 329A.440 governs how cities and counties can regulate certain types of child care facilities. Per ORS 329A.440, registered family child care homes and certified family child care homes shall be considered a residential use of property for zoning purposes and shall be permitted uses in all areas zoned for residential or commercial purposes. A city cannot enact or enforce zoning ordinance prohibiting the use of a residential dwelling, located in an area zoned for residential or commercial use, as a registered or certified family child care home.

##### ***329A.440 Application of zoning ordinances to registered or certified family child care homes.***

*(1) A registered or certified family child care home shall be considered a residential use of property for zoning purposes. The registered or certified family child care home shall be a permitted use in all areas zoned for residential or commercial purposes, including areas zoned for single-family dwellings. A city or county may not enact or enforce zoning ordinances prohibiting the use of a residential dwelling, located in an area zoned for residential or commercial use, as a registered or certified family child care home.*

*(2) A city or county may impose zoning conditions on the establishment and maintenance of a registered or certified family child care home in an area zoned for residential or commercial use if the conditions are no more restrictive than conditions imposed on other residential dwellings in the same zone.*

*(3) A county may:*

*(a) Allow a registered or certified family child care home in an existing dwelling in any area zoned for farm use, including an exclusive farm use zone established under ORS 215.203;*

*(b) Impose reasonable conditions on the establishment of a registered or certified family child care home in an area zoned for farm use; and*

*(c) Allow a division of land for a registered or certified family child care home in an exclusive farm use zone only as provided in ORS 215.263 (9).*

*(4) This section applies only to a registered or certified family child care home where child care is offered in the home of the provider to not more than 16 children, including children of the provider, regardless of full-time or part-time status. [Formerly 657A.440]*

**Finding:** Proposed amendments bring the McMinnville Municipal Code into compliance with ORS 329A.440 by allowing registered and certified family child care homes as allowed outright permitted uses in any residential and commercial zone if provided in a single-family dwelling unit.

**OAR 414-200-0415 to OAR 414-350-0415** – Oregon Administrative Rules (OAR) 414-200-0415 to OAR 414-350-0415 govern the operational structure and licensing of child care facilities in the state of Oregon.

Finding: Proposed amendments align definitions of child care facilities in the McMinnville Municipal Code with OAR 414-200-0415 to OAR 414-350-0415, and reinforces the parameters for each type of child care facility in the allowance of the McMinnville Municipal Code.

***Alignment with McMinnville's Comprehensive Plan:***

The following Goals and policies from Volume II of the McMinnville Comprehensive Plan of 1981 are applicable to this request:

**Citizen Involvement**

GOAL X 1 TO PROVIDE OPPORTUNITIES FOR CITIZEN INVOLVEMENT IN THE LAND USE DECISION MAKING PROCESS ESTABLISHED BY THE CITY OF McMINNVILLE.

Finding: Goals X 1 is satisfied by this proposal in that the proposed modifications were reviewed at a public hearing by the McMinnville Planning Commission on April 15, 2021.
