*The City of McMinnville, due to budget shortfalls, has implemented an employee furlough program. **Until further notice I will not be working on Mondays.** All of our development services programs (building, code compliance, engineering and planning) will still be offered Monday – Friday, 8:00 am – 5:00 pm. We will do everything that we can to maintain timely customer service, but due to the reduced work weeks for staff you may experience some delays in our programs. We apologize in advance and appreciate your patience as we work through this situation.*

This message originated outside of the City of McMinnville.

To whom it may concern, I would like to request an extension for the review of my variance application to the next Planning Commission meeting that is scheduled July 15, 2021 at 630 pm. I will be adding more information to my application and appreciate the opportunity to present it. Thank you in

advance, Nora Collins (N Collins Properties LLC).
