CONCLUSIONARY FINDINGS:

McMinnville’s Comprehensive Plan:

The following Goals and policies from Volume II of the McMinnville Comprehensive Plan of 1981 are applicable to this request:

GOAL X 1: TO PROVIDE OPPORTUNITIES FOR CITIZEN INVOLVEMENT IN THE LAND USE DECISION MAKING PROCESS ESTABLISHED BY THE CITY OF McMINNVILLE.

Policy 188.00: The City of McMinnville shall continue to provide opportunities for citizen involvement in all phases of the planning process. The opportunities will allow for review and comment by community residents and will be supplemented by the availability of information on planning requests and the provision of feedback mechanisms to evaluate decisions and keep citizens informed.

Finding: Goal X 1 and Policy 188.00 are satisfied in that McMinnville continues to provide opportunities for the public to review and obtain copies of the application materials and completed staff report prior to the McMinnville Planning Commission and/or McMinnville City Council review of the request and recommendation at an advertised public hearing. All members of the public have access to provide testimony and ask questions during the public review and hearing process.

McMinnville’s City Code:

The following Sections of the McMinnville Zoning Ordinance (Ord. No. 3380) are applicable to the request:

Chapter 17.03 – General Provisions:

17.03.020 Purpose. The purpose of the ordinance codified in Chapters 17.03 (General Provisions) through 17.74 (Review Criteria) of this title is to encourage appropriate and orderly physical development in the city through standards designed to protect residential, commercial, industrial, and civic areas from the intrusions of incompatible uses; to provide opportunities for establishments to concentrate for efficient operation in mutually beneficial relationship to each other and to shared services; to provide adequate open space, desired levels of population densities, workable relationships between land uses and the transportation system, adequate community facilities; and to provide assurance of opportunities for effective utilization of the land resources; and to promote in other ways public health, safety, convenience, and general welfare.

Finding: Section 17.03.020 is satisfied by the legislative amendment in that the extension of the amortization deadline will provide time for the City of McMinnville to determine whether the amortization process meets the intent of the Signs chapter of the McMinnville Zoning Ordinance, thereby ensuring that the amortization process promotes the general welfare of community members in the city.

17.03.030 Severability. Where any word, phrase, clause, sentence, paragraph, or section, or other part of these regulations is held invalid by a court of competent jurisdiction, that judgment shall affect only that part held invalid and shall not impair the validity of the remainder of these regulations.

Finding: Section 17.03.020 is satisfied by the legislative amendment in that the extension of the amortization deadline will provide time for the City of McMinnville to complete research and ensure that the requirements of the amortization process have not been deemed invalid by any court of competent jurisdiction.

17.03.040 Interpretation - More restrictive provisions govern. Where the conditions imposed by any provision of this title are less restrictive than comparable conditions imposed by any other provisions of this title or of any other ordinance, resolution, or regulation, the provisions which are more restrictive shall govern.

Finding: Section 17.03.040 is satisfied by the legislative amendment in that the extension of the amortization deadline will provide time for the City of McMinnville to complete research and ensure that the requirements of the amortization process are not in violation of any other regulations, including state statute, federal law, or other private property rights.
