**APPLICATION FOR PROJECT ADVISORY COMMITTEE**

Thank you for your interest in serving on a project advisory committee. We currently have three project advisory committees that we are putting together. Project information is attached. The information on this form will help us learn about the background of persons interested in serving on a particular committee to ensure that we have a representation cross-section of the community.

Name: \_\_\_\_\_ Home Phone: \_\_\_\_\_  
Address: \_\_\_\_\_ Cell Phone: \_\_\_\_\_  
\_\_\_\_\_ Work Phone: \_\_\_\_\_  
Email: \_\_\_\_\_ Date of Birth: \_\_\_\_\_

Project Advisory Committee for which you are an applicant:

- Buildable Lands Inventory / Housing Needs Analysis / Housing Strategy
- Great Neighborhood Principles
- Three Mile Lane Area Plan

How many years have you lived in McMinnville? \_\_\_\_\_

Educational and occupational background: \_\_\_\_\_

## **PROJECT ADVISORY COMMITTEE VOLUNTEER OPPORTUNITIES**

### **DO YOU WANT TO HELP PLAN MCMINNVILLE'S FUTURE?**

We have several long-range planning efforts that will get underway over the next six months, all of which will have a Project Advisory Committee comprised of community members, who will meet and work with staff and the consultant team on the plan/project. For each project we are hoping to put together a committee exemplary of the McMinnville populations so we are encouraging youth (under 18), millennials, parents with kids currently in school, retirees, Latinos/Latinas, people with disabilities, business owners, residents, etc. No specific experience is necessary. Just the willingness to have thoughtful, informed dialogues about McMinnville's opportunities and constraints and the passion to participate in planning McMinnville's future. Each effort is described in more detail below.

#### **Buildable Lands Inventory / Housing Needs Analysis / Housing Strategy:**

Project Description: This project will inventory the amount of buildable land within the city limits and the urban growth boundary still available for new housing development. It will then evaluate what our housing needs are for the next 5, 10, 20 and 50 years and put together a housing strategy on how to achieve that type of housing.

Timeline: This project will kick off in June, and will last approximately 12 months, with a meeting every month for about two hours.

#### **Great Neighborhood Principles:**

Project Description: This project will ask the questions, what makes a Great Neighborhood in McMinnville and then work on recommendations for the Planning Commission to ensure that every neighborhood built is built as a great neighborhood. We will be discussing housing, walkability, bikeability, access to commercial services, open spaces, etc.

Timeline: This project will kick off in July, and will last approximately 6 months, with a meeting every month for about two hours.

#### **Three Mile Lane Area Study:**

Project Description: This project will study the area along Highway 18 from the city limits on the east side (Old Stone Village and the Airport) to the Yamhill River Bridge. It will evaluate what is the highest and best uses for future development, discuss connectivity to the city center, open spaces, economic development, etc. This will be a hands-on mapping exercise for those who want to dive into the details.

Timeline: This project will kick off in early September, and will last approximately 12 months, with a meeting every month for about two hours.
