A variance may be granted only in the event that the following circumstances substantially exist:

Exceptional or extraordinary circumstances apply to the property which do not apply generally to other properties in the same zone or vicinity, and result from lot size or shape legally existing prior to the date of the ordinance codified in this title, topography, or other circumstance over which the applicant has no control;
- B. The variance is necessary for the preservation of a property right of the applicant substantially the same as owners of other property in the same zone or vicinity possess;
- C. The variance would not be materially detrimental to the purposes of this title, or to property in the zone or vicinity in which the property is located, or otherwise conflict with the objectives of any city plan or policy;
- D. The variance requested is the minimum variance which would alleviate the hardship.
