

In order to ensure that all participants have a safe and pleasant experience, please abide by the following guidelines:

- Each participant must have previously completed a waiver.
- Each participant must sign the volunteer roster.
- Review safety procedures with each participant.
- Vehicles associated with the trash and litter pick-up should not be parked along the shoulders of the roadway unless no alternative parking is possible.
- All individuals associated with the roadway cleanup must wear orange safety vests, gloves and any other appropriate safety materials at all times during the activity.
- Supervisors shall be assigned to both adult and youth groups. Supervisors should be assigned before departing for the work site.
- All volunteers are required to be 12 years old or older. When participants are 14 years of age or younger, the Group shall furnish minimum supervision of 1 adult to every 4 children (1:4 ratio). Accept responsibility to provide direct and responsible adult supervision for those minors not accompanied by a parent or guardian.
- Litter pick-up should be performed only in daylight hours and during good weather conditions.
- Work as a group facing oncoming traffic at all times.
- Do not cross the roadway unnecessarily; cross only at designated locations. Designated crossing locations should be determined by supervisor prior to starting work.
- Remain with the group to which you are assigned.
- Do not pick up potentially hazardous materials such as heavy objects, car batteries, needles, animal carcasses, or any other object that appears questionable.
