

Volunteer Roster

The City of McMinnville would like to say THANK YOU volunteering for a day of work. By signing below, you are agreeing to the terms and conditions of the Volunteer Waiver of Liability and Photo Release. A copy of the agreement will be provided to you if you include your email address below. We (and our insurance company!) would like to call your attention to the fact that, as a volunteer today, you are volunteering for your organization. The City does not carry insurance to cover any injury that might occur to today's volunteers. By signing in on this roster, you are acknowledging this. Again, we thank you so much!
