	December	LEAF PROGRAM - SWEEPING COORDINATED WITH LEAF PICK UP SCHEDULE																	7	6

SWEEPING PROGRAM INFORMATION

- Please check maps below to find area in which you live. Chart above shows when area will be swept.
- Area 1 (Downtown) - Swept weekly on Thursday nights
- If a scheduled sweep falls on a holiday or weather conditions prevent sweeping we will sweep on the next available work day
- To help ensure street sweepers are able to do a thorough job, please help us by moving vehicles, boats, campers, garbage cans, recycle containers and other objects into your driveway when your section is due to be swept.
- Obstacles like shopping carts, landscape materials and basketball hoops that protrude past the curb also keep us from cleaning thoroughly.
- Please keep street trees, hedges and vegetation trimmed to 13 feet above the street surface or behind the curb, so the street sweeper can fit under or around them.
- If you have any questions about this schedule or street sweeping operations in general, please call McMinnville Public Works at 503-434-7316.
